You may be subject to terms and conditions from Sun Microsystems™ that are different or additional to the terms contained in this EULA. Java and Sun Microsystems are trademarks of Sun Microsystems, Inc. or its licensors and no affiliation, sponsorship or endorsement by Sun Microsystems is intended or implied by this reference. In addition, although a connector to third party applications, you acknowledge and agree that (i) the license to this Software does not give you any rights to such third party applications, (ii) You are solely responsible for acquiring all necessary rights and licenses to such third party software, and (iii) You are also bound by the additional terms and conditions imposed in connection with such third party software.

License Restrictions

You agree that You will not:

(a) use or copy the Software except as expressly permitted under the terms of this EULA; (b) copy the documentation, user's manuals or any written materials (collectively, "Documentation") without the express written consent of RF Code; (c) reverse engineer, decompile, disassemble, modify, merge, translate, or attempt to discover the source code of the Software, or create derivative works, except as otherwise expressly permitted by applicable law that is incapable of exclusion by agreement between the parties; or (d) transfer, assign, sell or otherwise convey any of Your rights to or license in the Software or under this EULA without the express written approval of RF Code.

RF Code Proprietary and Intellectual Rights

The Intellectual Property Rights in the Software are and will remain the sole and exclusive property of RF Code and its suppliers, if any, whether the Software is separate or combined with any other products. RF Code's rights under this Section will include, but not be limited to: (i) all Software, and copies thereof, in whole and in part; and (ii) all modifications to, and derivative works based upon, the Software. For purposes herein, **"Intellectual Property Rights"** means patent rights (including patent applications and disclosures), copyrights (including, but not limited to, rights in audio visual works and moral rights), trade secret rights, rights of priority and any other intellectual property right recognized in any country or jurisdiction in the world.

No Maintenance, Support, and Ugrades

RF Code is not obligated to provide any direct support, maintenance, enhancements or Upgrades of the Software.

Term and Termination

The term of this EULA commences on the Effective Date and continues until terminated in accordance with this EULA. You may terminate this EULA at any time by destroying all copies of the Software. This EULA will terminate immediately without notice from RF Code if you fail to comply with any provision of this EULA.

Effect of Termination

Upon the termination of this EULA: (a) all rights and licenses granted by RF Code to You under this EULA will terminate; and (b) You must immediately cease use of the Software, remove the Software from all computers, servers and RF Code Appliances, and return all copies of the Software and Documentation to RF Code, or, at RF Code's option, destroy all copies of the Software in any form. All provisions of this EULA which by their nature continue shall survive any termination of this EULA.

Disclaimer of Warranties

You understand that the Software is provided to You free of charge as a courtesy and is provided on an "AS IS" basis. As such, you further agree that neither RF Code nor its agents or representatives shall be responsible for any loss, destruction, or alteration of programs, data and other information resulting from use of the Software. You assume the sole risk for accessing, downloading, installing and/or using the Software. RF CODE MAKES NO EXPRESS OR IMPLIED WARRANTIES AND SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, SATISFACTORY QUALITY, AND FITNESS FOR A PARTICULAR PURPOSE AS WELL AS ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. IF SUCH DISCLAIMER IS NOT PERMITTED BY LAW, THE DURATION OF ANY SUCH IMPLIED WARRANTIES IS LIMITED TO NINETY (90) DAYS FROM THE DATE OF DELIVERY. RF CODE SOFTWARE IS NOT SPECIFICALLY DESIGNED, MANUFACTURED, OR INTENDED FOR USE IN CONNECTION WITH THE DESIGN, CONSTRUCTION, MAINTENANCE, AND/OR OPERATION OF ANY (i) NUCLEAR FACILITY, (ii) AIRCRAFT, AIRCRAFT COMMUNICATION OR AIRCRAFT GROUND SUPPORT SYSTEM, OR (iii) LIFE SUPPORT OR LIFE RESCUE SYSTEM.

RF CODE DOES NOT REPRESENT OR WARRANT THAT THE SOFTWARE FURNISHED HEREUNDER IS FREE OF INFRINGEMENT OF ANY THIRD PARTY PATENTS, COPYRIGHTS, TRADE SECRETS, OR OTHER INTELLECTUAL PROPERTY RIGHTS. IN THE EVENT SUCH A CLAIM ARISES OR IN THE JUDGMENT OF RF CODE THERE IS A LIKELIHOOD OF SUCH A CLAIM, YOU AGREE TO IMMEDIATELY CEASE USE OF AND RETURN THE SOFTWARE TO RF CODE OR DESTROY THE SOFTWARE AT RF CODE'S REQUEST.

IN ADDITION, RF CODE DOES NOT WARRANT THAT THE SOFTWARE WILL SATISFY YOUR REQUIREMENTS, AND IS WITHOUT DEFECT OR ERROR, OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED. BECAUSE IT MAY NOT BE POSSIBLE FOR RF CODE TO KNOW THE EXACT PURPOSES FOR WHICH YOU ACQUIRED THIS SOFTWARE, YOU ASSUME FULL RESPONSIBILITY AND FOR ITS INSTALLATION AND USE AND THE RESULTS OF THAT USE.

This exclusion also applies to any of RF Code's subcontractors, suppliers, authorized service providers and program developers (collectively **"Suppliers"**). Some jurisdictions do not allow the exclusion or limitation of warranties, so such limitation or exclusion may not apply to You.

Limitation of Liability

IN NO EVENT WILL RF CODE OR ITS SUPPLIERS BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, SPECIAL, PUNITIVE, INCIDENTAL, OR INDIRECT DAMAGES OF ANY KIND ARISING OUT OF THE USE OF OR INABILITY TO USE THE RF CODE SOFTWARE, INCLUDING LOST PROFITS, LOSSES ASSOCIATED WITH BUSINESS INTERRUPTION, LOSS OF USE OF THE SOFTWARE, LOSS OF DATA, COSTS OF RE-CREATING LOST DATA, OR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS, EVEN IF RF CODE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL RF CODE'S AGGREGATE LIABILITY FOR ANY CLAIM, WHETHER IN CONTRACT, TORT OR ANY OTHER THEORY OF LIABILITY, ARISING OUT OF THIS AGREEMENT EXCEED THE GREATER OF FIFTY DOLLARS ($50 USD) OR THE TOTAL LICENSE FEES PAID BY YOU FOR THE SOFTWARE. RF CODE' S PROVISION OF THIS SOFTWARE TO YOU FOR FREE REFLECTS THE ALLOCATION OF RISK AND LIMITATIONS ON LIABILITY CONTAINED IN THIS AGREEMENT. Some jurisdictions do not allow the exclusion or limitation of damages, so such limitation or exclusion may not apply to You. The foregoing limitations will apply even if any limited remedy fails of its essential purpose.

Indemnity

You agree to defend, indemnify and hold RF Code, its officers, directors, agents, representatives and employees harmless from and against any and all damages, costs, losses, liabilities, expenses (including attorney's fees) and settlement amounts incurred in connection with or arising out of the use or misuse of the Software by You or Your violation of this EULA or any term therein, including without limitation by Your officers, directors, agents, representatives or employees.

Export Compliance

You agree to comply with all applicable laws, rules and regulations in connection with Your activities under this EULA, including but not limited to export and import laws. You acknowledge that it is Your responsibility to obtain any required licenses to export and re-export the Software. You acknowledge that it is Your responsibility to obtain any necessary licenses to import the Software if it has not been done by Your RF Code Authorized Distributor or Reseller. The Software, including technical data, is subject to U.S export control laws, including but not limited to the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. You further agree that none of the Software is being or will be acquired for, shipped, transferred, or re-exported, directly or indirectly, to proscribed or embargoed countries or their nationals and persons on the Table of Denial Orders, the Entity List or the List of Specifically Designated Nationals, unless specifically authorized by the U.S. Government for such purposes.

Governing Law Forum

The Software is protected by United States copyright laws and international treaty provisions. This EULA will be governed by the laws of the United States and the State of Texas and will be brought exclusively in the state or federal courts located in Travis County, Texas. The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed.

Attorney's Fees

If either party to this EULA brings an action to enforce or interpret this EULA, the prevailing party will be entitled to recover reasonable attorneys' fees and litigation costs and expenses in addition to any other appropriate relief.

Assignment

Except for a merger or acquisition of substantially all of Your assets, You may not assign this EULA or any licenses granted or obligations set forth in this EULA without RF Code's prior written consent.

Severability

In the event that any provision of this EULA is found to be unenforceable, such provision will be deemed modified to the extent necessary to allow enforceability of the provision as so limited, being intended that RF Code will receive the benefit contemplated herein to the fullest extent permitted by law, and the validity and enforceability of the remaining provisions will not be affected thereby.

Waiver

Failure of either party to require performance by the other party of any provision hereof will not affect the full right to require such performance at any time thereafter; nor will the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself.

Entire Agreement

This is the entire agreement between You and RF Code which supersedes any prior agreement, whether written or oral, relating to the subject matter of this EULA and may be amended only by a writing signed by both parties. Any terms and conditions in a purchase order or invoice statement inconsistent with the terms and conditions of this EULA will be null and void. No vendor, reseller or other person is authorized to modify this EULA or to make any warranty, representation or promise that is different than, or in addition to, the warranties provided in this EULA.
